WHAT YOU ARE ABOUT TO SEE

Over the coming pages we hope to take you on a trip to Europe to enjoy 'the best', 'the well renowned', 'the unknowns' and 'the exciting' wines it has to offer.

All carefully selected with respect to quality, value and overall taste.

Salute.

HOW IT WORKS – DRINK IN, TAKE A STROLL OR TAKE AWAY

Wine should be simple... fun... and without rules. If you like it... then it's good!

This list is just some of the wines we love, and hope you do too. If however you fancy a stroll, you are welcome to browse the shelves at the front and select a bottle there. You won't offend the guy who wrote this list, I promise. The prices you will see are takeaway prices though, so add \$15 and you can have it right here at your table. Ambience and a smiling waiter is free of charge

If you drank something you liked, let us know and we will do a special price for you if you'd like to take a half dozen or dozen home.
