PIEMONTE

Piemonte is a land where misty hills cradle ancient vines, and every bottle tells a story of tradition,
patience, and passion.

Here, Nebbiolo ripens slowly under the soft autumn fog, giving birth to the noble Barolo and the graceful
Barbaresco, wines as complex and contemplative as the landscapes they come from. The air carries the
scent of truffles and chestnuts from the Langhe to the Alto Piemonte and time seems to move with the
rhythm of the harvest.

Piemonte is not just a wine region; it's a place where nature and culture stay together in a glass.

TUSCANY

Tuscany is a sun tapestry of rolling hills, cypress-lined roads, and medieval villages where wine is into the very fabric of life. It's a region where Sangiovese reigns supreme, giving voice to timeless wines like Chianti Classico, Brunello di Montalcino and Super Tuscan, each one a reflection of the land's warmth, elegance, and strength. Golden light bathes the vineyards at dusk, and the scent of wild herbs drifts through the air, infusing the wines with a rustic, soulful charm. Tuscany is not merely a place, it's a feeling, a slow exhale, a celebration of beauty in every sip.
